

PERKYX

Mobile Gaming Starter Pack

A printable toolkit to discover games, track progress, organize your wishlist and plan your mobile gaming setup.

What's inside

Mobile Game Discovery Guide - Game Progress Tracker - Gaming Wishlist - Mobile Gaming Checklist - Bonus Mobile Gaming Setup Planner

Free digital resource from Perkyx

1. Mobile Game Discovery Guide

Use this page to keep track of games you want to try and what makes each one interesting to you.

Game	Genre	Platform	Why Try It?	Priority

Discovery ideas

Look through official app stores, trusted gaming publications, developer pages and recommendations from communities you already follow. Check device compatibility, storage requirements, age ratings and whether a game includes optional purchases before installing.

2. Game Progress Tracker

Track the games you are currently playing, your progress and the next objective you want to complete.

Game	Current Progress	Next Goal	Last Played	Status

Status ideas: Playing, Paused, Completed, Replay.

3. Gaming Wishlist

Keep games, accessories or optional upgrades you are considering in one place before deciding what is worth getting.

Item / Game	Type	Estimated Cost	Priority	Notes

Wishlist rule

Before buying, check whether you will actually use the item, compare current prices and confirm compatibility with your device. A wishlist can help separate things you want now from things you genuinely need.

4. Mobile Gaming Checklist

A simple checklist to prepare your phone or tablet before a longer gaming session.

Check	Done

Suggested checks

Battery charged - enough free storage - game updated - stable connection if required - headphones ready - notifications adjusted - brightness comfortable - charging cable nearby - cloud/game save checked - planned break time.

Session notes

Notes

5. Bonus: Mobile Gaming Setup Planner

Plan a comfortable and practical mobile gaming setup based on the device and games you actually use.

Setup Item	What I Use Now	Possible Improvement	Priority

My ideal setup

Device	Controller / Input	Audio	Charging	Stand / Grip

Comfort reminder

For longer sessions, use a comfortable posture, adjust screen brightness appropriately and take regular breaks. Stop if you experience discomfort or eye strain.

My Gaming Month

Use this final page as a quick monthly overview.

Game	Main Goal This Month	Progress

Games I want to try next

Game	Why

Best gaming moment this month
